Your help is needed today!

HelpCoop.com

On May 2, 2004 Ashley Cooper ("Coop") was critically injured in a car accident. Her recovery and rehabilitation will require immense time and effort on her part. Your love and support are desperately needed. Please visit Ashley, go to the web site, post a message, send a card, and donate what you can.

In one night Ashley's life was forever changed. Please... give generously to this former lifeguard and nursing student.
